## TRAVEAS GOES LEISURE WITH SEAT24

Dear Traveas friend,

We are extremely proud to present our partnership with eTRAVELi - European Travel Interactive.

eTRAVELi is the company behind many leading and well know consumer online brands. They monitor brands like Seat24, SuperSaver, Flygvaruhuset and TravelFinder, just to mention a few. They operate within Sweden, Denmark Norway Finland, Germany, Holland and Spain.

Besides reaching hundreds of thousands travellers through out Europe this also means that Traveas now broadens our target group to include the leisure segment as well, ie yet another great milestone in our young company's history.

Going forward we continue our quest to conquer Europe with trips back to London, Paris and Berlin and Frankfurt during this and next week. In the aftermath of the market launch of our service in UK, France and Germany many interesting dialogs with leading agencies in these markets will be continued.

We will of course keep you posted in this newsletter, but for even quicker updates you can always check <http://blog.traveas.com>

Cheers!

Your Traveas team
